1. Five jet bombers and one B-25 were parked on Cottbus airfield on 26 July. The Pe-2's and the single-engine planes of the regiment, and its AA guns, ground personnel and field kitchen were transferred to an undetermined place on 25 July.¹
2. The transfer of the air transport regiment from Altenburg to Brandis and the transfer of the fighter regiment from Brandis to Altenburg began on 11 July.²

25X1 1. Comment: The bomber regiment at Cottbus probably moved to Welzow. It is possible that the Pe-2's of the regiment had previously left the Soviet Zone and that its crews may return with jet bombers from the USSR.

25X1 2. Comment: The movement of the ground personnel of the fighter regiment at Brandis to Altenburg has been confirmed.
